

Grand Chapter of the

Order of the Eastern Star
of Alabama

MRS. DONNA MCGEE
WORTHY GRAND MATRON
307 SOUTH DRIVE
FAIRHOPE, ALABAMA 36532

March 22, 2020

To All Sisters and Brothers:

In light of the rapidly changing dynamics of this COVID-19 virus, Governor Ivey has ordered that all gatherings of 25 or more people who cannot maintain a consistent 6 foot distance between persons are prohibited and in Jefferson County that restriction is tightened to 10 people. Restaurants, schools, non-essential businesses and churches are closed or closing. We have never experienced this type of extreme measures in our lifetime.

Many Worthy Matrons of our Chapters have already cancelled their meetings and many other functions have been postponed during this crisis. In order to comply with Governor Ivey's restrictions and in consultation with Grand Master Taylor, I as Worthy Grand Matron, hereby order the suspension of all Eastern Star activities until April 30, 2020. This includes all Chapter meetings, AGM Club meetings, fund raisers, Honor Days, Conferences and practices. I will review this decision the last week of April to determine if the suspension should continue.

Sisters and Brothers, this is a very unusual and trying time. Not only for our Fraternal lives but our American way of life. I sincerely hope and pray that all of you heed the warnings and stay safe during this crisis

Star Love and Service,

Donna McGee
Worthy Grand Matron
